We will also require Staff to scrutinize that data, to compare the declining usage experienced with the declining usage adjustment granted herein, to determine whether a declining usage adjustment is warranted going forward, and to provide testimony and recommendations accordingly.

Page 65, line 6 Add:

We will also require Staff to scrutinize that data and to compare the declining usage experienced with the declining usage adjustment granted herein. In the event that usage increases beyond the forecasted amounts, Ratepayers shall be credited with a refund and in the event usage declines beyond the forecasted amount ratepayers shall pay a surcharge for the difference. Staff should also determine whether a declining usage adjustment is warranted going forward, and to provide testimony and recommendations accordingly.
